Students Feel Great Loss

The death of Miss Vivian Houghton brought grief to the hearts of students, faculty, alumni, family, and friends. She was a wonderful, considerate woman whom everyone admired and respected. She was known and beloved by school children for two generations.

School and the education of children was her consuming interest in life and from September, 1936, until June, 1959, she served not only as the principal of the high school; but also as a teacher of commercial subjects, advisor to the staff of the Bobcat, senior trip sponsor, and athletic director.

During her 23-year principalship, she was honored by every departing class; the members presenting her with a gift which she treasured and accepted with appealing modesty. Perhaps the last formal honor to be conferred upon her was that of the 1962 Bobcat, which was dedicated to her.

Students thought so highly of her that they always saved time on return visits to look her up and say "hello."

She was uncomfortable before audiences and about the only such appearance she made during her principalship was at commencement when she presented the class for graduation. But her friends recall that she did not hesitate to talk face to face with students when they had a problem or when correction was needed. Occasions have been cited when husky and rebellious high school boys departed from one of her counselling sessions moved by her sympathetic kindness.

The fact that Miss Houghton will not again pass this way is saddening. However, she left her mark on hundreds of young lives, the pupils she taught and counseled during 28 years spent in our school system. Thus, in a very real sense, she lives on in our midst.

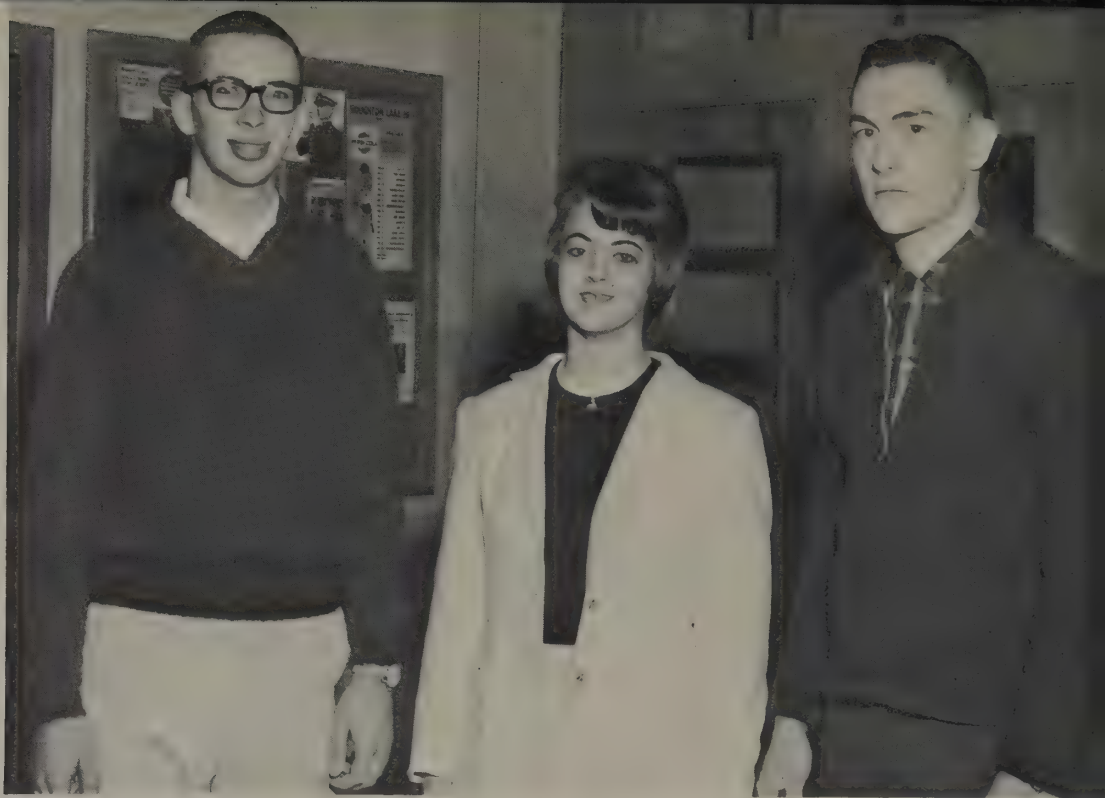

As a teacher and administrator, she was a member of one of the oldest and most honored professions and a credit to it. One of infinite worth, she felt and responded to the urge, all too rare in this self-seeking age, to "give."

So, in turn, we, the Senior Class of 1964, with great pride and respect, "give" the 1964 Bobcat to you, Miss Houghton, in your memory. MAY GOD BLESS AND KEEP YOU.

Veteran letterwinners Steve Perry, Don Baese, Ed McCormack, Mike Baumgartner, and Jim Constantine provide last year's champion Bobcats with a nucleus for the 1964 season. Roger Steckler, the team's top shot putter, will not be available for the team as he left school at midyear to join the Armed Forces.

Seniors Mike Baumgartner and Donald Baese are expected to lead the Green and White in the longer distances, Baumgartner was the team's leading mile runner last spring, while Don led the field in the 880 yd. run in most meets.

Steve Perry should be the team's main power in pole vault, high jump and the hurdles. Ed looms as the team's leading dashman. Jim Constantine should be the top weightman and senior Tom Lippincott can be counted upon for his share of points for longer distance running and the pole vault.

—Meet the Mentors—

Tom Stalker, a Hillsdale College graduate took on the task of rejuvenating the Bobcat football fortunes after a year's layoff and after a somewhat slow start during the 1962 season. He brought the Green and White on strong in 1963 to ring up a 5-won 3-loss record finishing second in the Northeastern Michigan Class C Conference grid races. He also brought the Bobcats to the top spot in the NEM track competition last May.

Stalker coached at Cement City, Oscoda, and Alpena prior to coming to Houghton Lake.

He left our school system at the end of the first semester in January to work for Standard Oil and we will miss him.

Mike Seilo, a native of Marquette, Michigan, is the newest member of the Bobcat coaching ranks coming here last September as assistant JV football coach and reserve cage mentor. Seilo is a speech correctionist and a graduate of Northern Michigan College.

Gayle Saxton heads up the athletic program here at HLHS as the school's Athletic Director. Saxton, a graduate of Alma College where he lettered in football, basketball, and track is a native of East Jordan, Michigan.

He assisted Stalker with the Varsity football coaching chores the past two seasons serving as the team's line coach. He also guided the Junior Varsity cage teams here during the 1960-61 and 1962-63 seasons. Prior to coming to Houghton Lake, Saxton has taught at Chicago's Austin High School, Carson City, Michigan, and East Jordan, Michigan.

Donald Wallace confines his coaching to the cage sport where he has been at the Bobcat helm the past two seasons. His 63-64 Bobcat five was in the thick of the NEM Conference race from the very beginning.

Wallace is a native of Clare, Michigan and a graduate of Clare High School and Central Michigan University. He taught and coached at Tawas Area prior to coming to the Lake three years ago.

John "Mr. T" Tafelski has headed the JV football coaching staff since arriving on the local sports scene at the beginning of the 1960-61 school year. He is a graduate of Bay City High School and Central Michigan University.

William "Bill" Seidenstucker guides the destinies of our Junior High School cagers. He has coached the 7th and 8th grade teams the past two seasons. A graduate of Bay City Handy High School and Central Michigan University, Seidenstucker came to Houghton Lake as Boys' Physical Education Instructor in the fall of 1962.

Homecoming Attracts

Students display enthusiasm at Homecoming Pep Meeting.

Enthusiasm and suspense mounted among the students during a Pep Rally and bonfire, a Pep meeting, and the construction of a float by each class. The Senior girls chosen to represent the classes as candidates for Homecoming Queen were Sue Proctor, Sande Wendel, Sandi Medore, and Michele Streff.

The Homecoming game was held October 11 when the Bobcats met the Roscommon Bucks, our arch rivals for the N.E.M. Conference Trophy.

Classes chose their candidates for Homecoming Queen: L. to R. Freshman-- Michele Streff, Seniors--Sue Proctor, Juniors--Sande Wendel, and Sophomores--Sandi Medore.

Victory, however, was not our most important product: ours was determination and the satisfaction of a game well-played.

A colorful half-time ceremony was enjoyed by the huge crowd as the Houghton Lake High School Band performed, floats circled the field, and Queen candidates were introduced. The evening reached a climax as two winners were announced: the Senior float, and our Homecoming Queen for 1963, Sande Wendel. Queen Sande, who was chosen by the student body, then received her crown from Barry Watkins, President of the Student Government.

The Harvest Moon Dance held in the gym brought the 1963 Homecoming to a memorable close.

"Shooting to Victory" was the Eighth Grade's initial effort at float construction.

The eighteenth annual Sno-Ball, held January 25 in the gymnasium, was the climax of the contest between the senior girls vying for the title "Miss Houghton Lake of 1964."

All senior girls were introduced to the student body as potential nominees, and candidates were selected by each class and club. These candidates presented their talents, and five finalists were chosen by the students. The finalists and their sponsoring organizations were: Michele Streff; Sophomore Class, Sandi Medore; Ski Club, Judy Acton; Senior Class, Sande Wendel; Junior Class, and Sherry Bryer; Science Club.

The gym was attractively decorated in accordance with the theme "Paradise Isles," and couples danced to the music of Jack La Mott and his orchestra.

After a presentation of talents and individual promenading of the gym, the candidates and spectators anxiously awaited the decision of the judges.

Miss Houghton Lake of 1963, Penny Botsford, Prince John Thompson, and Princess Diane Servas promenaded the gym and made their way to seats on the stage.

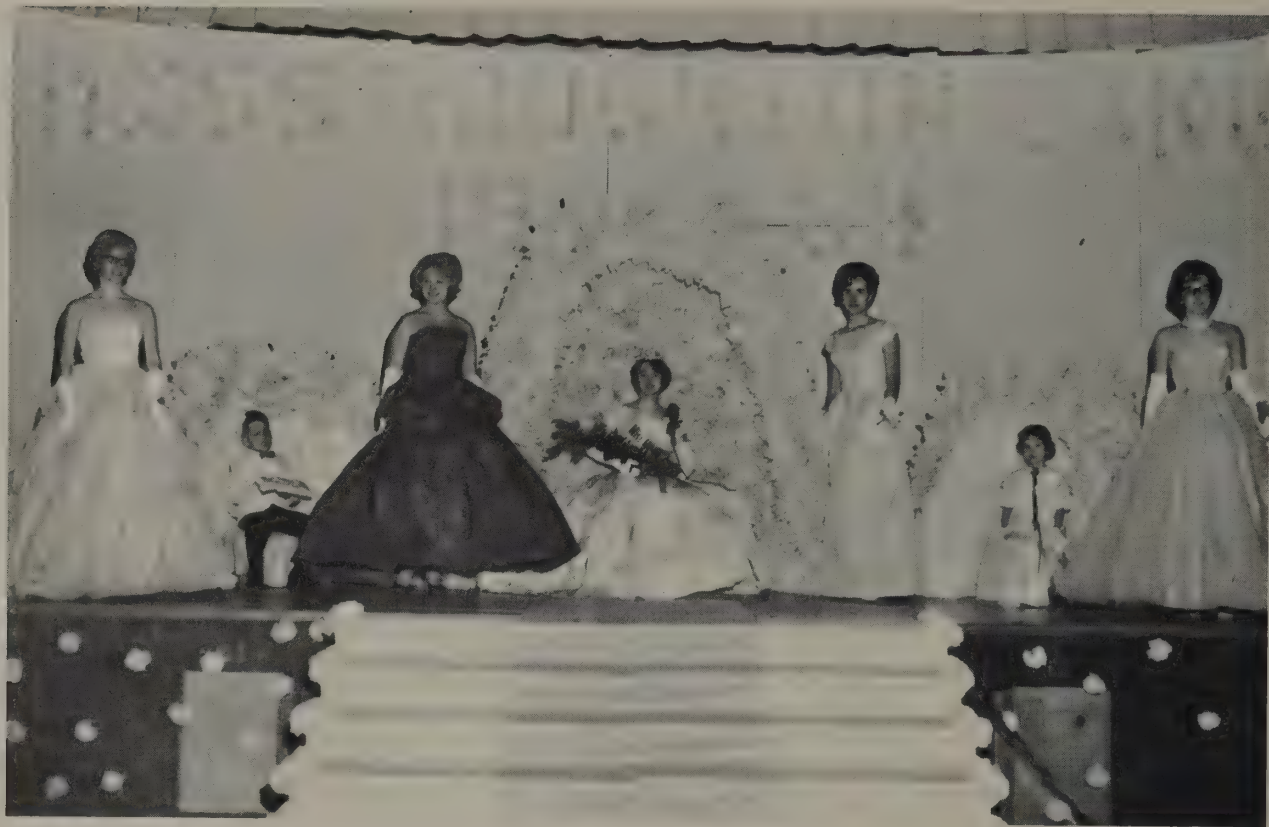

Donald Fockler, Master of Ceremonies, announced Judy Acton as Miss Houghton Lake of 1964. After Queen Judy received her crown, banner, and bouquet from Penny Botsford, she was presented with several gifts, in honor of her new title.

The Queen's March then took place as the new Miss Houghton Lake again promenaded the gym. She led the Grand March as the first duty in her reign as Miss Houghton Lake, 1964.

To Mrs. Henig -

Believe me when I say
you are one of my favorite
teachers - I also consider
you a dear friend.

I've had you for many
classes, but I'm most happy
that you taught world history
when we had it - you
certainly had to put up with
a lot - and I'm glad you
tolerated us so well.

Best wishes for all the
time to come.

God bless you.

Always,

Charles

-67-

Mrs. Wenig

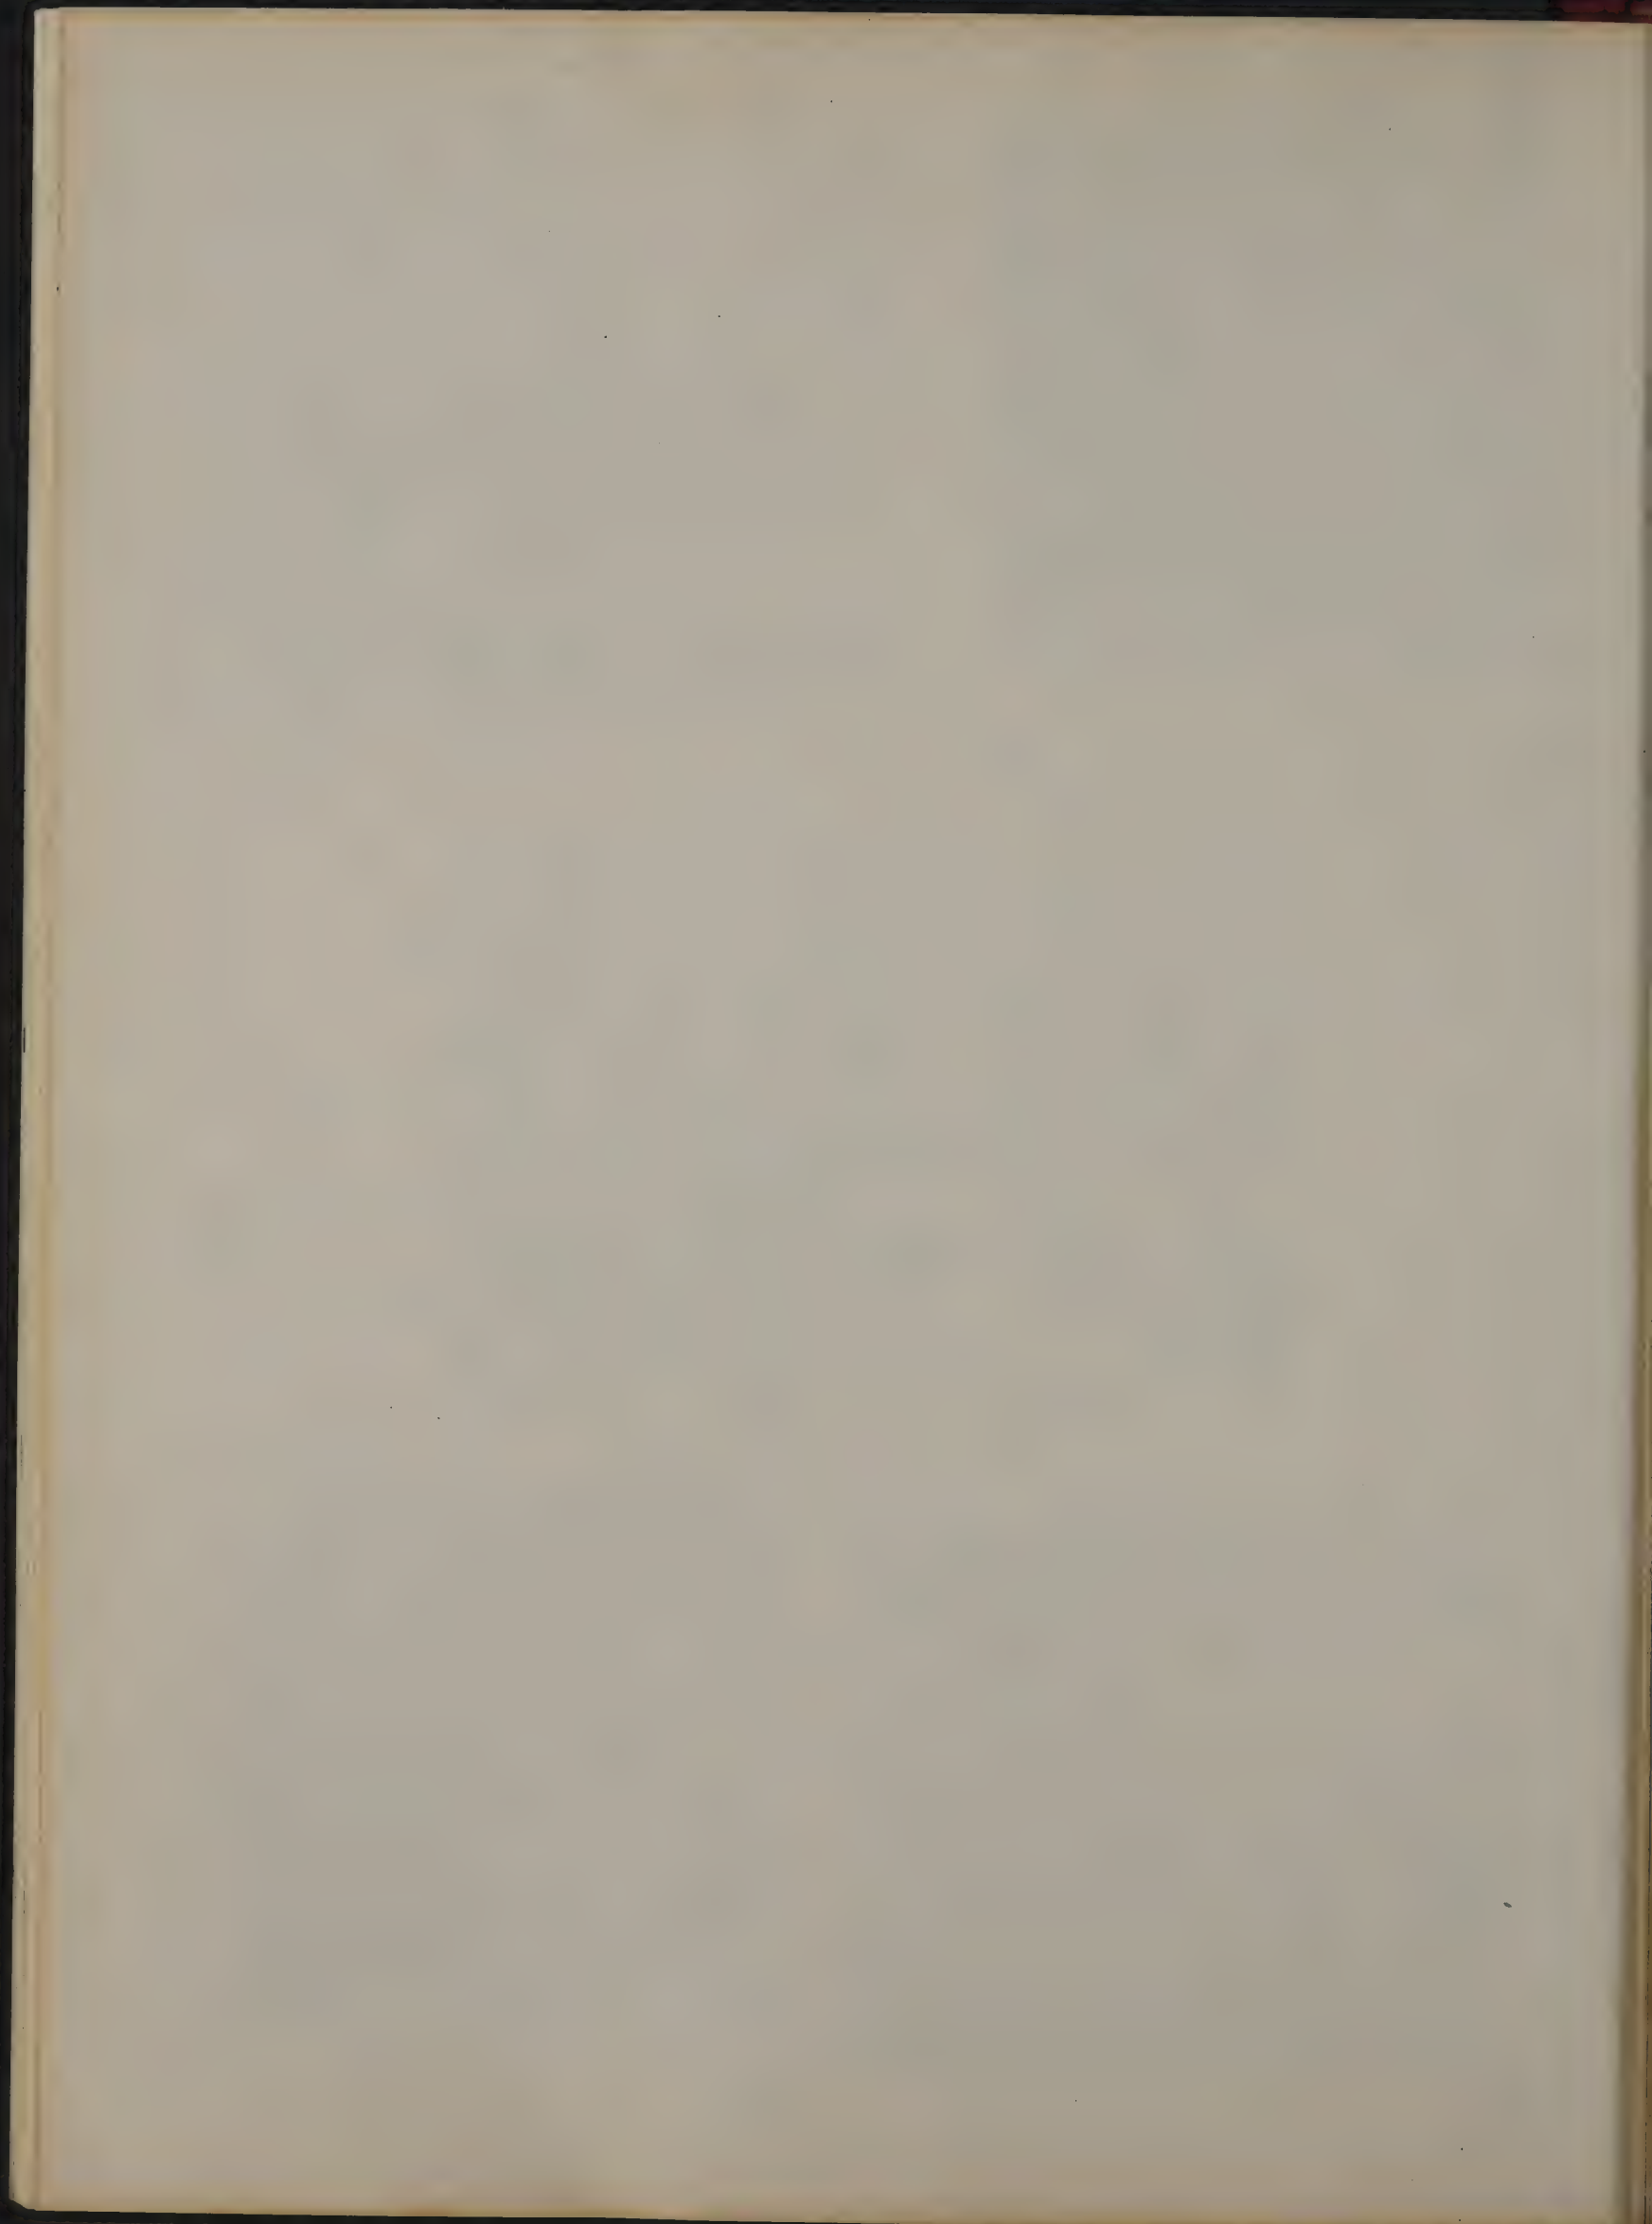

I love you now and
always will. As a teacher
you have been a favorite
and a good friend, too.
Take care of all those
lost students of yours.
I will never forget
your kindness and
generosity.

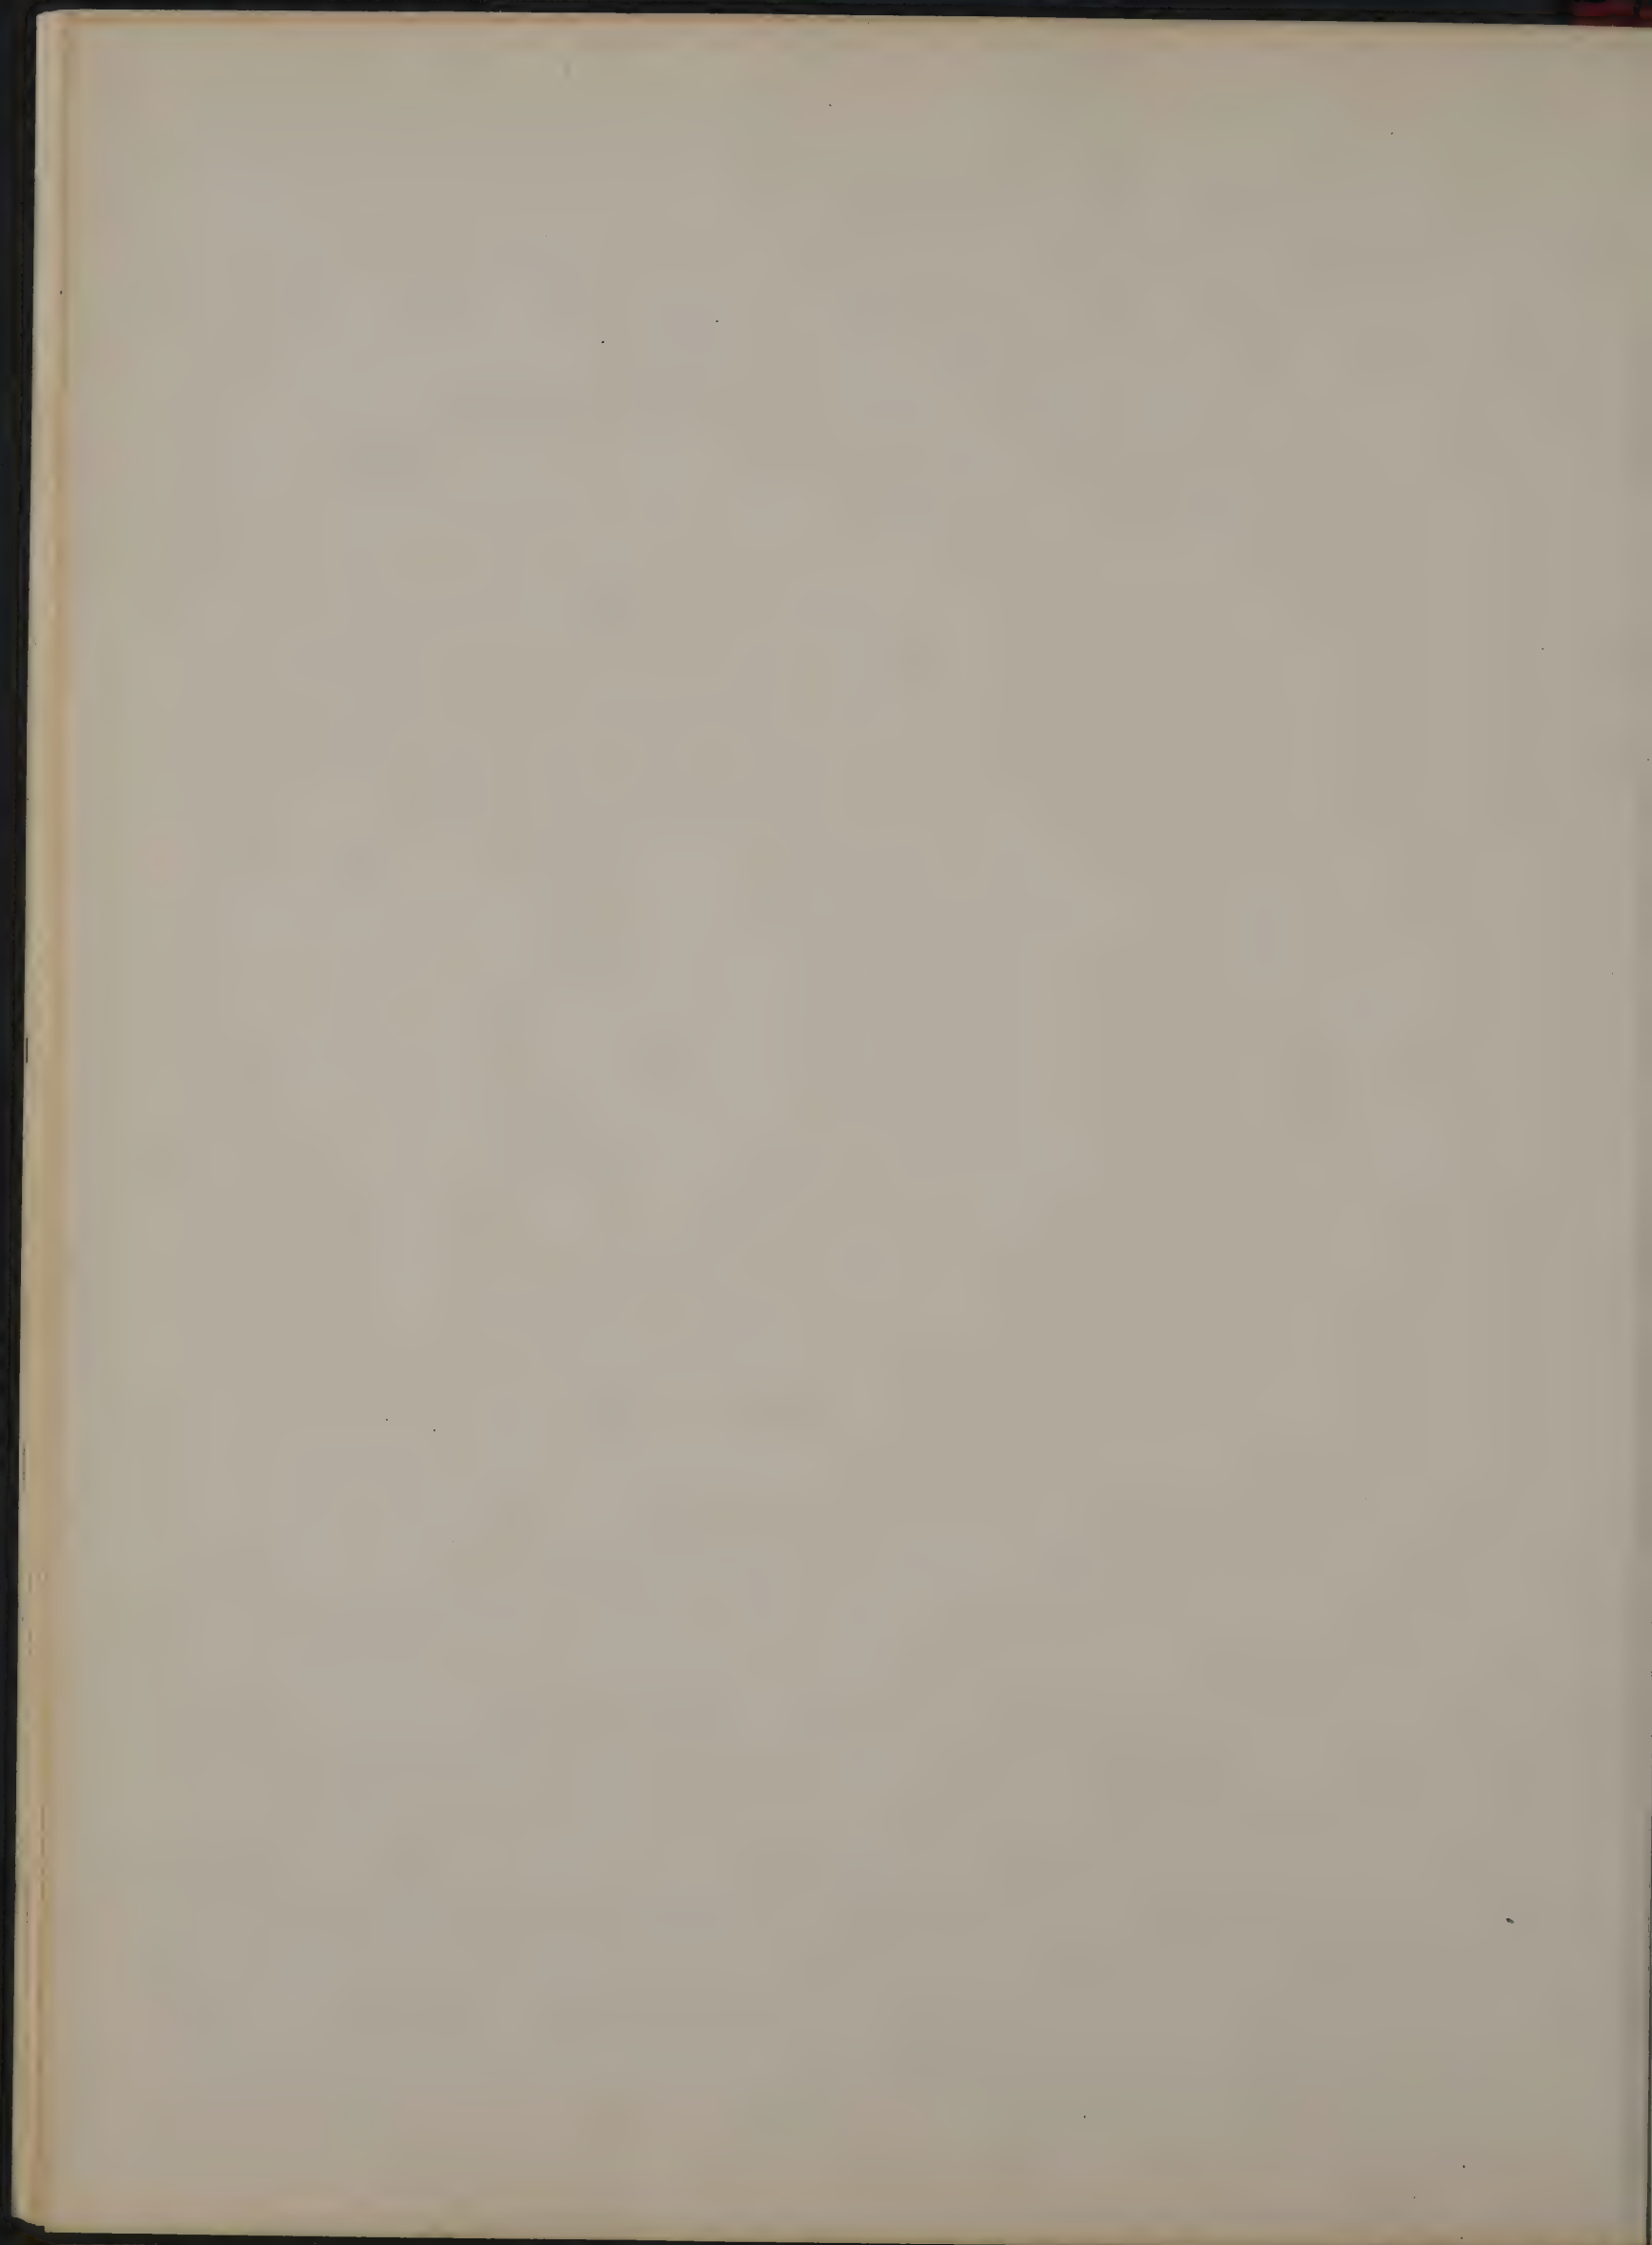

Be good and
don't give out too
many bad marks.
God Bless
Charles

Mrs. Wenig,

I know how hard
you tried to pound Latin
into my brain, but at
this moment I don't believe
I could say "I surrender to
Quill's army of patience, kindness
and a wonderful outgoingness."
May your years of future teaching
be as fruitful as they were with
me.

I'll remember your
wonderful classes.
